Early European Books

Coolhaes, Caspar

Trouwwe waerschoywinge voor den schandelijcken abuysen offte misbruycken der almanacken, de welke gelijk alle andere valsche godes-diensten uyt de schatcamer der verscheyden Pausen ghecoomen zijn, ende daerom niet minder Reformatien van doë hebbē als de kercken etc. C. Coolhaes

Dutch

1607

Exploring content is an interactive, immersive experience with the use of scatter maps powered by advanced metadata, allowing researchers to make connections within materials that might have otherwise gone unrealized – helping to expand, validate, and clarify research results.

NEW

- **Early European Books 10:** drawn from the Philosophy, History and Human Science department of the National Library of France (BnF)

NEW

- **Early European Books 11:** Drawing on books from the KBNL (The Hague) and the Wellcome Library (London), this collection will cover Religion and Religious thought from Northern Europe as part of the anniversary of Martin Luther's Ninety-Five Theses of 1517 which heralded the Protestant Reformation

ASHGATE

Ex Libris, a ProQuest Company

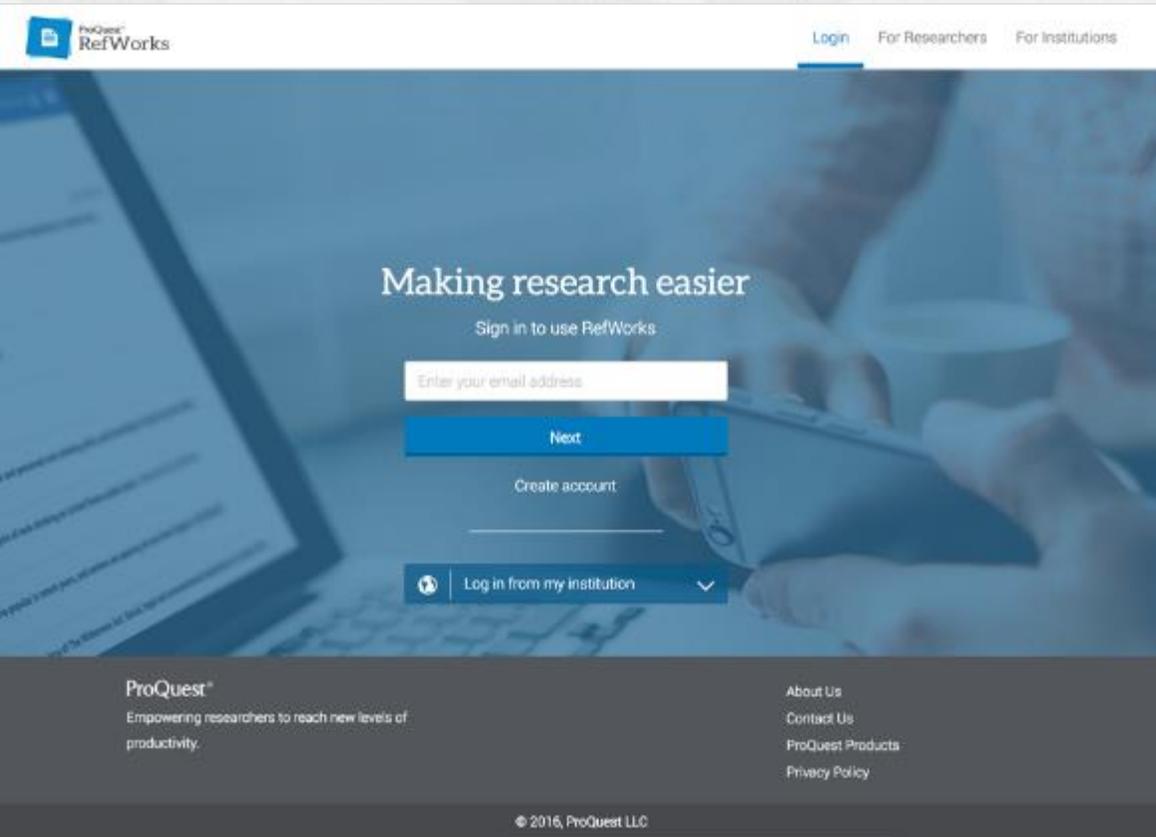

The ProQuest acquisition of **Ex Libris** aligns print and digital resources, pioneering discovery and library management solutions, and the deep content relationships that underlie our leading metadata repositories.

Now available:

- **Alma Digital**, a platform that manages electronic, print and digital; and consolidates acquisition, purchasing and digitization
- **The Summon® Service**, which increases the library's value by making its collection more discoverable
- **Primo**, which delivers scholarly resources and rich metadata via a single search interface
- **Leganto, powered by SIPX, which helps** universities deliver affordable course materials to students
- **campusM**, a mobile solution that connects students to the library, courses, professors and campus activities

Reference & Citation Management

RefWorks is a premier reference management service that supports students, faculty and libraries.

Comprehensive features include:

- Support for add-ins like Google Docs, Dropbox Integration, Office365, Write-N-Cite, Android and iOS
- 4,000 citation styles and an integrated citation manager
- No syncing required! Supports PDF, Word, and Excel from one easy location
- And more to come in 2017
