

## SCIENTIFIC DATABASE ACCESS PROCEDURE

Access to full-text documents can be made through the **EDS portal**, which conducts searches in the online catalogue and in all subscribed databases (except for the Reaxys database), or **individually**, on each database.

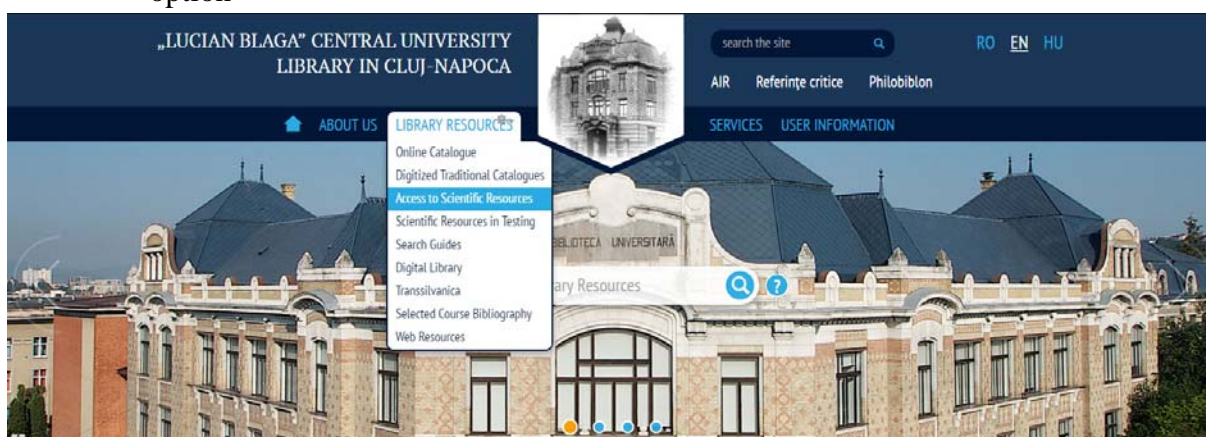

In order to **remotely access** full-text documents in the databases, the user must have a **valid library card** and a **changed password** (one that is not identical to the library card barcode)!\*

The databases can be accessed through the library website, [www.bcucluj.ro](http://www.bcucluj.ro)

a. from the **search bar**, by choosing the **EDS portal**

b. from the **Library Resources**, by choosing the **Access to scientific resources** option

\* In order to change your password (which is initially identical to the library card barcode), the necessary steps are listed in the **Sign-in** option in the **Online Catalogue** <http://aleph.bcucluj.ro:8991/F/>

### Library Resources

- Online Catalogue
- Digitized Traditional Catalogues
- Access to Scientific Resources**
- Scientific Resources in Testing
- Search Guides
- Digital Library
- Transsilvania
- Selected Course Bibliography
- Web Resources

## Access to Scientific Resources

[View](#) [Edit](#) [Translate](#)

### Access from the CUL local network

- The search must be made [here](#) through the EBSCO Discovery Service interface (unique search portal in the Online Catalogue and in the subscribed scientific resources).  
[Access procedure](#)
- The search must be made [here](#) through each platform's search interface.  
[Search guides](#)

### Remote access

- The search must be made [here](#) through the EBSCO Discovery Service interface (unique search portal in the Online Catalogue and in the subscribed scientific resources).  
[Access procedure](#)
- The search must be made [here](#) through each platform's search interface.

In order to access the databases through the EDS portal, choose option 1, and, for individual access to each database, choose option 2.

For remote access, the user must sign-in with the library card barcode and the appropriate password:

Barcod permis:

Parolă:

**NOTE:** The **Guest** sign-in does authorize the viewing of full-text documents!
